

Lisa K. PhD – Intuition Expert
Teacher, Author, Speaker
Bios

LONG VERSION:

Lisa K. helps people trust their intuition to make better decisions. Lisa teaches others how to use the power of intuition in their decisions, so they no longer doubt themselves and feel confident moving forward. Lisa developed a revolutionary new intuition technique combining her extensive knowledge and experience into an easy to understand step-by-step method anyone can use.

Considered an intuition expert, Lisa and has taught hundreds of people intuition development through both online and in-person workshops and seminars. Her public appearances reach people around the world through guest speaking, online media and her popular radio show, “Between Heaven and Earth”.

As the show’s host on Between Heaven and Earth, Lisa K. inspires people through self-help topics that transform their lives into happier and more fulfilled ones with practical applications that are “conscious living for your soul.”

Lisa is highly inquisitive and infinitely curious, so she is constantly learning and discovering new concepts and as a result acquired many certifications and degrees. She holds degrees in Electrical Engineering from Columbia University, Psychobiology from the State University of New York, and a PhD from the University of Metaphysical Sciences. Lisa is also certified in many energy healing modalities and intuitive arts.

As an author, Lisa's work is frequently published in a variety of online magazines including The Huffington Post, Inspire Me Today, Care2.com and OmTimes Magazine. Her latest book is *Intuition On Demand* published by Findhorn Press. For more information about Lisa’s events, workshops and free eBook on intuition sign up at - <http://www.LMK88.com>
