

INTUITION SUCCESS PATH STAGES

© 2021 LISA K.

RANDOM

- Your intuition experiences seem random.
- You wonder if you have intuition.
- You want your intuition to be more dependable.
- Your intuition seems vague and you don't know what it means.
- You're not sure if it is your intuition or if you're making it up.

WANT: You know intuition is a real thing and want it to be an asset under your control.

CONSISTENT

- You can always recognize the consistent characteristics of intuition.
- You can easily distinguish intuition from your thinking or imagination.
- You are aware of your intuition instantly and pay attention.
- You easily know what the different intuition experiences are like.
- You are beginning to practice good intuition exercises.

WANT: You want control over your intuition to be more reliable and appear at your command.

RELIABLE

- You can make your intuition happen at your command.
- Your intuition is more targeted.
- You know who and what your intuition is about.
- You start to use your intuition for little decisions and get results.
- You consistently practice intuition exercises with others and are pleasantly surprised at your success.

WANT: You'd like more accuracy with your intuition to help you make decisions.

ACCURATE

- You have learned an intuition technique and how to get more information.
- You start to receive your intuition in multiple ways about a particular situation.
- You can get intuitive specifics about where and when.
- You trust your intuition more.
- You learn to ask more questions to get the most detail from your intuition.
- You start to use your intuition more often in your life.
- Your intuition exercises are helping you be faster, more detailed and accurate.

WANT: You want to get intuitive information that you can act on and use.

ACTIONABLE

- You use your intuition technique almost unconsciously.
- You learn to use intuition tools for difficult situations.
- Your intuition is now full of details you understand on why and how.
- You rely on intuition when faced with significant life issues.
- You fully trust your intuition and know it is always there.
- Your intuition gives you information to take action.
- Your making better decisions with intuition, getting you results you dream of.

WANT: To be the master of your intuition leaving an impact in the world by living your purpose.
